In 1979, Greater Houston Preservation Alliance (today's Preservation Houston) presented the first Good Brick Awards to showcase outstanding historic preservation projects and the people who make them happen. Join Preservation Houston on Friday evening, March 8, 2024, as we again celebrate the talented people who are using historic preservation to make Houston a better, more interesting place to live.

Your support of The Cornerstone Dinner allows Preservation Houston's staff and volunteers to continue providing valuable, neighborhood-focused services, including advocacy, education, consultation and community outreach.
